Objectives

This program is supported in part by an educational grant from:

Allergan
AstraZeneca
GlaxoSmithKline
Merck & Co.
Ortho-McNeil
Pfizer
Wyeth Pharmaceuticals

Our goal is to provide you with information that will improve your success rate when treating headache patients. We have assembled a panel of experts who have shown an outstanding ability to communicate their knowledge.

Non-pharmacological methods, drug treatments, and highlights of the ongoing research in the field of headaches will be presented.

Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the New York Academy of Medicine and the New York Headache Foundation. The New York Academy of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The New York Academy of Medicine designates educational activity for a maximum of 5 Category 1 credits toward the Physician's Recognition Award of the AMA. Each physician should claim only those credits that he/she actually spent in the activity.

Disclosure Policy: The New York Academy of Medicine relies upon invited faculty participants to provide educational information that is objective and as free from bias as possible. In this spirit, and accordance with the guidelines of the session sponsor, faculty participants are required to indicate any commercial relationship that might be perceived as a real or apparent conflict of interest.
